maybe a writing workshop or how to help struggling writers, family nights

What can we offer to help you get involved?

weekly emails
send home things that specifically ask parent to help with child
extended school hours, start school earlier in the day or later in the day to
make participation more feasible for normal business hours
share what curriculum is being used, like a syllabus, and how parents can
have input on it
I feel the school has met all areas of communicating to us all of _____'s
educational needs.

How are we able to improve services to students?

evaluations every three months of progress/needs/behaviors for son
Have an after school program with extended hours till 6:30p. which would
allow some observation/participation time for those parents with
longer work schedules.
We have been very happy with what the school has done to meet _____'s
needs.
teacher evaluations

I don't have any suggestions at this time. Everyone at EES has been so supportive of our son this year, helping him reach a new level of confidence and competence appropriate for his grade. He is proud of what he has achieved this year and so are we! Thank you to everyone at EES for your care and support.

Remove unhealthy things covering their faces so that they can breathe and receive adequate oxygen to their brain and heart. Keep the principal and the teachers you have, they are amazing, and have done a fantastic job.
